The Boltze Bulletin

Dear Families,

The warm glow of the holiday buzz is all around us and we have many exciting events over the next few weeks! Please check the calendar to be sure you don't miss anything.

I would like to thank you for your participation in our Boosterthon fundraiser. We were able to raise close to \$18,000 for our school. The money collected will allow us to add valuable resources to our classrooms, which will benefit our students and staff. We appreciate our phenomenal PTO for overseeing this educational fundraiser.

Over the next few weeks, our students and staff will continue to focus on learning and growing. All grade levels will take part in end of quarter assessments beginning next Monday. In addition to the quarterly assessments, students will follow their regular schedule of learning until late into December. With this being said, there will also be plenty of time for holiday fun. Many of our grade levels are providing opportunities for students to learn about different cultures by investigating and celebrating holidays from around the world. We will also provide students the opportunity to celebrate the winter break with a class party and festive holiday movie on December 22. In short, our next two weeks will be filled with learning AND holiday cheer.

As we close out the first half of the school year, I want to thank you for continuing to support your child's learning at home. Helping with homework and reading nightly allows our students the opportunity to continue learning and growing even after leaving the classroom. In addition, remember to ask your children about their day, what they are working on, and most importantly, what are their successes.

From our Trinity Family to yours, we wish you a safe, happy, and relaxing holiday break filled with family and fun! We will see you in 2018!

Happy Holidays,

Ms. Boltze

The Middleton Memo

Dear Families,

December is here! As we celebrate the holiday season and head towards 2017, I would like to once again express how thankful I am to you for your support of our great school!

Please remember that the upcoming weeks can become quite overwhelming as families prepare for family gatherings, special travels, and perhaps some shopping outings in preparation for special traditions. As much as we'd all like to feel that we are organized and well-prepared for the upcoming weeks, each family deals with the stress of the holidays in different ways. Oftentimes, children fall victim to later bedtimes, hectic trips to the store for that last item, and sometimes the financial stress that comes during this time of the year. Routines often fall to the wayside along with daily reading practices, consistent homework support, and even family meals. Please remember to slow down, maintain your family's routines and enjoy your family time together.

Finally, remember that the holiday season is a great opportunity for families to give back to their communities while spending important quality time with each other. By helping others we teach our children that they are part of a bigger community and the role they play in it. Take a moment to investigate the numerous ways to spend important time together as a family while experiencing the true spirit of the holidays.

I want to thank everyone for a truly great year. We have a great staff of professionals, wonderful community support and great families. While my family and I look forward to celebrating Christmas this month, I hope your family and friends have the opportunity to enjoy your own customs and traditions, whatever they may be. As we ring in the promise of a new year, may you find joy in your homes and in your community.

Enjoy your holiday break, have fun, be safe...see you next year!

INFORMATION YOU NEED TO KNOW

Art News

Hello Trinity Art Families!

Thank you for your support of our Square 1 Art fundraiser! With your support, we are able to purchase the supplies we need to run our Art Program. Your support allows us opportunities to create things like our clay projects - which primary students will be starting when they return from Winter Break! The kids love creating clay projects and they make wonderful keepsakes that last a lifetime!

Congratulations to Mrs. Gray's and Ms. Pantages' classes, they were the lead classes for Square 1 Art orders and will have a popsicle party as their reward. Square 1 Art orders will arrive and go home with students the week prior to Winter Break. If you have questions about Square 1 Art, please email me at jlfenton@pasco.k12.fl.us.

I wish all of our Trinity families and artists a holiday season filled with wonder, joy and creativity. I look forward to seeing you all in 2018!
