

NEW PROCEDURES – WALKERS/BIKERS

To provide safety and security for our students, we will be changing the dismissal process for Walkers and Bikers.

Our new procedures are as follows:

- Students that are walking or riding a bike home will be dismissed to the Cafeteria,
- Families will line up at the PLACE door (side Cafeteria door) with their CAR TAG,
- A Trinity Elementary employee will be at the PLACE door to take your CAR TAG and call your child(ren) over for dismissal.

IMPORTANT

*If you do not bring your CAR TAG to the door, you will need to show a form of photo identification to have your child released to you.

*If a student walks or rides his/her bike home alone, parents will need to fill out the form below and return it to the front office.

I give permission for my son/daughter to walk or ride a bike home alone.
