

SSMS BEYOND

<https://ssms.pasco.k12.fl.us>

Our mission in the Beyond program is to provide a multifaceted, authentic, self-paced, high quality learning experience to prepare students for college and career.

Olivia D:
“I like the Beyond program because I can work at my own pace. I can also work on a computer for all of my core classes!”

Anonymous:
“Beyond changed the grades I get in school. I originally had failing grades, but ended my first year in beyond with almost straight B's. Unlike traditional classes, you can retake quizzes.”

**Virtual Parent Information Meeting
May 14th @ 6 PM
Call Mrs. Seibert @ 727-774-6700
for the zoom link**

Sean G: “The Beyond Program provides an experience that you can't get anywhere else. It allows you to be independent while having someone to help you when you have trouble. It makes education fun and interesting.”

All online applications must be submitted to SSMS by June 12th.
