

In numbers, we find strength and success. Our goal for the 2020-2021 school year is to have 100% participation in our PTO. Every \$15.00 membership fee is put directly back into our school, and your child's success! **In the last school year our PTO spent over \$70,000.00 total on events and funding for our school.** We are seeing continued growth, and with that comes many needs. We can't make it all happen without your help!
